Dear Ms. Stark:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-On Schedule B of your report, you have disclosed contributions to or expenditures made on behalf of a federal candidate for which you have failed to provide the state office sought, and district (if applicable). Please amend your report to include the missing information in the field titled "Purpose of Disbursement" for each applicable entry. (11 CFR §104.3(b)(3)(v))

-Schedule A of your report discloses earmarked contributions through a conduit. Please be reminded that when a committee receives an earmarked contribution(s) through an allowable conduit, each individual contribution should be itemized when the individual's total contributions to your committee aggregate over \$200 per calendar year. This itemization must include the full name, address, occupation, and employer of the individual contributor along with the date the contribution was received by the conduit.

In addition, the total contribution(s) received through the conduit should be itemized on Schedule A as a memo entry. The conduit's full name and address (and occupation and employer if the conduit is an individual) must also be provided, along with the date the contribution(s) was transferred to your committee and the total amount of earmarked contributions received
